

Hope the Leprechaun dances his jig for you!

Comments from others:

I had to forward this, my mom swears it works. The day after she sent it, they got an offer on their land on the Suwannee river, they haven't even seen that land since 1987. It came out of the blue. So you know that I'm going to try it.

Not sure if this had anything to do with it but it was shortly after I sent this out - I got a call to say our bond was approved - against all odds.

I don't know if it works but I won a new fridge full of various cool drinks from Beyer and Beyer last week.

I do not know if it works, but I won a microwave yesterday Seems like it Hey !!

Good luck to everyone! And may all your dreams come true!!

This may sound nuts, but my husband got this the other day and sent it off. About 10 minutes later a really good financial windfall happened for his son Sean who he had sent it too as well. One of the people he sent it to was responsible for the windfall.
